

ABT Sportsline 2020 – Press Release CW 34

Advantageous Performance Offer Numerous exciting new models at ABT Power Days

Greater torque, more speed, improved acceleration: An **ABT Power performance upgrade*** achieves greater driving pleasure in many vehicles from VW, Audi, Skoda and SEAT. From 17 to 29 September 2020, this tempting offer becomes even more attractive, thanks to the **ABT Power Days**. A staggering 20% can be saved on all **ABT Power performance upgrades**. Since the last **ABT Power Days**, considerably more models and engine variants have been added to the inventory, but many older vehicles from the last few years are also still covered. Some particularly interesting models are listed below.

A real highlight is the VW T6.1, whose top-of-the-range engine delivers 199 hp (146 kW) and 450 Nm ex works. The world's largest tuner for vehicles from the Audi and VW group utilises the opportunity to generate 226 hp (166 kW) and 490 Nm. The Audi A5, which was recently given a facelift, is often seen as a 45 TDI with 231 hp (170 kW) and 500 Nm. With **ABT Power**, it now delivers 268 hp (197 kW) and 540 Nm. A masterpiece is the RS6 with 600 hp (441 kW) and 800 Nm as standard. Many fans still wish for a little more, which **ABT Sportsline** unleashes with 700 hp (515 kW) and 880 Nm.

The Cupra Ateca displayed shooting star qualities right from the outset. If 300 hp (221 kW) and 400 Nm are not enough for you, **ABT Sportsline** will give you a whopping 350 hp (257 kW) and 440 Nm. If you are looking for a spacious SUV, look no further than the Skoda Kodiaq. In its most powerful configuration, the 2.0 TDI delivers 240 hp (176 kW) and 500 Nm. Want even more sovereignty? **ABT Power** provides 270 hp (199 kW) and 540 Nm. However, the models mentioned above represent only a small selection of the portfolio, which includes many other vehicles and engine types. A comprehensive overview is provided by the **ABT Configurator**. All offers come with extensive guarantees.

The **ABT Power Days** promotion is valid at the headquarters in Kempten and across Germany at over 100 participating **ABT dealers**. Customers from Austria, Switzerland, the Netherlands, Finland, Spain, Poland, Russia, Ukraine and South Africa are also eligible to take part in their respective countries. For further information, go to: www.abt-sportsline.com/abt-power-days.

*The engine performance data is in accordance with the stipulations of EWG/80/1269. The process and dynamometer manufacturer have been certified and authorised by the vehicle manufacturer. For further details, visit www.abt-sportsline.com/performance-measurement.
